Polish manufacturer of aluminium boats

EDGE 510 · FINLAND

ABOUT US

From sheet metal to water.

Brema Boats is a Polish builder of aluminium boats, with its own plant in Świdnik near Lublin. Fishing, water and the outdoors have always been our passion — so we build the boats we want to be out on ourselves.

We do it all in-house: design, cutting, welding, assembly and finishing. Every stage is checked on site, so we know exactly what we hand over.

OUR MISSION

To build durable, safe boats that bring joy to the people who use them.

HOW WE BUILD

What goes into a Brema boat

PA13	Seawater-resistant aluminium alloy
3 / 4 mm	Hull plate thickness
2×	Hull hand-welded inside and out
PRS	All models certified by the Polish Register of Shipping

Configure it your way: steering console, sonar, lighting, bimini top, helm seats, anchor winch, rod holders.

FISHING

Pictured: 400 V

SERIES 01 / 07

Fishing

3.85–4.35 m	29.4 kW	up to 4	C / D
